To Whom It May Concern:

For the past seven or eight years I have chosen to use Pro Cat as the entertainment for our prom. As most junior sponsors will agree, organizing a prom can be a difficult task. Choosing Pro Cat alleviates many of my worries. I have never had to worry about their promptness, professionalism, or willingness to please the crowd. As long as I am the Prom Committee Chairperson at Southern Choctaw High Pro Cat will be the Disc Jockey of my choice.

Sincerely,

Judy Franks
