John Lane Perry
Headmaster

Scott Langley
Chairman of the Board

To Whom It May Concern:

Mr. Mark Dyer of Procat Audio--Visual Productions provided the music and lighting for Chambers Academy's prom. He did an excellent job with the music selection, light show and he has a great sound system. He and his associates were on time and played the music that we requested. Overall, he did a splendid job of entertaining our students. We were pleased by the job they did and plan to use them again in the very near future.

Sincerely,

Elizabeth Talley
Junior Class Sponsor
