LETTER OF RECOMMENDATION:

This is a letter of introduction and recommendation for ProCat, Peggy Dyer, D.J. out of Calera, Alabama.

ProCat has done three out of five of our New Year's Eve Parties at ECC International, Sylacauga, Alabama.

Mrs. Dyer runs a highly professional business. They are adequately equipped, well knowledged and have a number of years experience in this type of work. Responsible and dependable, on time and flexible with their hours. ProCat provides a wide variety of music, which would serve any type function, parties, weddings, proms, etc.

Every member of our NYE Committee recommends ProCat highly.

We at ECC look forward to doing business with Mrs. Dyer in the future.

Sincerely,

A handwritten signature in black ink that reads "Joey Horton". The signature is written in a cursive, slightly slanted style.
