To Whom It May Concern:

As junior sponsors at Elba High School, we are very pleased to recommend the services of ProCat. ProCat has provided quality entertainment for our prom for many years. We have found ProCat to be easy to work with and eager to help us make each prom the best ever.

With all the decisions to make each year concerning our prom, the easiest one for us is to hire ProCat. We can't imagine having a prom without them!

Sincerely,
