Dear Peggy:

On behalf of the Alabama Association, Future Homemakers of America, I thank you for providing the music for our Magical Nights Awards Party. The students loved the music and this added greatly to the atmosphere.

Thank you for making the necessary arrangements to be with us. Your part of our meeting was made very easy. You made no unnecessary demands about arrangements. You planned your part of the activities around our plans.

It was nice meeting and working with you. I look forward to future engagements.

Sincerely,

Nanaline H. Burgess
