Dear Peggy and Mark,

I want you to know that I am retiring this year and was very happy to be able to book ProCat for the next two proms! Jeff Davis High School will be assured a successful event until 2003, and, hopefully my replacement will realize that he/she needs to continue with you.

In looking back over my 20 year "reign" as prom sponsor, I take pride in the fact that it is one of the few activities that our students really look forward to and enjoy. When I first became prom sponsor, it was dead. Kids came to have photos made and left for better parties. Although the prom was scheduled to last until midnight, we were packing up to go by 11:00.

When I hired ProCat, I turned all of that around. MY success as prom director is really YOUR success! Now we have to turn the lights on at midnight and force the kids to go home! Since you have been doing our prom, we have almost 700 attending, staying and wanting more! It is great!

I want to thank you for all that you have done for us, and especially thank you both for the warm and personal attention and kindness you have shown to me over the past several years. I will miss my professional association with you. It never really felt professional...it always felt like a friendship.

I wish the best for you both and hope that ProCat will continue to bring joy to the kids at Jeff Davis.

Sincerely,

A handwritten signature in blue ink that reads 'Carol'.
