Pro-Cat Productions is something to cheer about! The Varsity Cheerleaders engaged Pro-Cat for their two dances last school year and on both occasions were impressed by this company.

The first dance was a sound production. Mark Dyer and his associates arrived promptly with their vast array of equipment and music selections and proceeded to "rock" our gym with the music our students enjoy. Our second dance was even better because we obtained the sound and light show. Pro-Cat transformed our cavernous gym into a dance floor with their visual display and ear-splitting rhythms. Our students loved it and we made the largest profit on a dance we have ever made.

Pro-Cat Productions is a professional, enthusiastic, competent company that is easy to work with. Mark Dyer and his associates have earned our praise and our cheer of "GO - PRO-CAT!!"

Sincerely,

Margo Gibson
