Dear Peggy, Mark, and the ProCat Staff:

I just wanted to thank you for the wonderful prom we had this year with your assistance. Since we have been using your services, which is about eight years now, our students have really enjoyed the music because of the videos and the lighting and other features you offer.

Mark is a true professional. He understands the situation and is receptive to any changes that need to be made. At his invitation we use his audio equipment for the introduction program. The students, faculty, and administration have all been very complimentary of the way things work out.

Please feel free to use this letter as a recommendation to other schools and organizations who might need your program. I would have no hesitation to tell them that ProCat has never let us down; you are there and on time and ready to go when we are.

It is a real pleasure to work with people who honor their contracts and do it in such a pleasant manner. We look forward to talking with you each year.

Have a great spring and summer and we will contact you when our school calendar is set for next year. We are going to a newly modified calendar, so it may be a little while before I notify you.

Best Wishes,

Margaret Hataway
