To who It May Concern:

We have been very pleased with the services offered by PROCAT MUSIC GROUP. We have used the regular DJ and light show and we were very pleased, but the video show that we were able to book for this year's prom was great! The kids loved it and stayed at the Prom much longer than usual. The people at PROCAT have always been very easy to work with and have always helped to make the music portion of our event a big success. I highly recommend the PROCAT MUSIC GROUP.

Sincerely,
